Year 2 AUTUMN newsletter

Settling in

This term, we will be transitioning into Year 2 and we are looking forward to lots of exciting and fun learning opportunities, both in school and in the outside community.

Contact Information:
year2@boothwoodacademy.co.uk

Autumn Term 1 Learning Highlights:

Year 2 have lots of exciting learning ahead this term! In History, we will explore rebellion and learn about important historical figures, including Guy Fawkes and Cheng Tang. In English, we will explore The Papaya That Spoke, using it to inspire our own imaginative journey tales filled with exciting ideas and clear storytelling.
In Science, we will investigate habitats and the living things that call them home. In Maths, we will develop our understanding of numbers to 100, addition, subtraction and 2D and 3D shapes.
Through PSHE, we will also learn more about ourselves, celebrate our differences and think about our hopes and aspirations for the future.

Autumn Term 2 Learning Highlights:

In English, we will begin by exploring our model text, Storm Unicorn. We will discover the features of a report before using what we have learnt to write our own, focusing on clear sentences, interesting facts and effective structure.
In Geography, we will learn about Jalingo, exploring what life is like in this part of Nigeria. In Science, we will continue our learning about habitats and living things, including humans. We are looking forward to another exciting term filled with new learning, creativity and opportunities to develop our skills across the curriculum!
